Connection of the PHA to UI Strategic Plan

Individual Employee: “Embedding Well-Being”

- Connect the UI employee with a confidential, personalized report that has credible resources on different health topics and direct links and phone numbers for University of Iowa and UI Health Care programs and services.

  “...increase access to and awareness of mental health and well-being resources.”

Organization/UI: Measuring Well-Being

- Know if UI is “moving the needle” on Employee Well-Being by looking at annual aggregate data

Priority Area: Holistic Well-Being and Success

Strategy: “Embed well-being and mental health into all aspects of campus culture to better support students, faculty, and staff”
