Anniversary of the Stonewall Riots

The Stonewall Riots occurred on **June 28th, 1969** after New York City police raided the Stonewall Inn, a gay club in Greenwich Village in New York City. The raid sparked a riot among bar patrons and neighborhood residents. This led to six days of protests and violent clashes with law enforcement. A year later, to mark the anniversary of the riots, the first gay pride marches occurred. The Stonewall Riots helped transform the Gay Rights Movement in the United States.
