Staff Council is seeking nominations for a vacancy that needs to be filled – Function Rep: Behavioral Health-Health Care.

**Agenda for June Staff Council meeting**

**End of Year Recap - Kleppe**

Kleppe has prepared and shared with a variety of stakeholders a slide deck highlighting the value of Staff Council, which garnered positive feedback from UI leadership.

Kleppe helped develop a framework for managing Staff Council feedback: Educate, Explore, or Elevate. Does the topic require education back to staff? Budget, HR topics, mental health, campus planning. Does it require further exploration? Transportation, absence policy. Or does it need to be elevated to a higher level of UI leadership? Salaries, recruitment, tuition assistance, UIHC attendance initiative.

**UI Staff Council Success:**

- Health and Well-being: (160% increase in Kognito training, collected 697 pounds of food for UI Food Pantry)
- Engagement: (31% newsletter open rates, Science Thursday table, recommended 15 charter committee members.)
- Recognition and support. (New ASC, $500K in tuition assistance up from $250K, DEI celebration)
