Mental Health and Well-Being

This on-demand training is designed for UI supervisors and managers and focuses on supporting the mental health and well-being of your employees. By improving your knowledge and skills in understanding and identifying mental health concerns, you will be better equipped to support your staff.

ENROLL IN MHWB COURSE

Since July 2023, 600 supervisors/staff have taken this course!
Peer Support

Holistic well-being and success: Provide a comprehensive foundation of support for individuals throughout all stages of their relationship with the university.

Embed well-being and mental health into all aspects of campus culture to better support students, faculty, and staff.
