### U Eye Spy around Campus

It was fun to go around campus this month to see how far our message of support for United Way and to give back to our community had spread. From Jessup Hall to UCC to MERF to North Hall to College of Medicine and many many other areas in between...it was amazing to see the word of giving back reach all over campus. Thank you to our campus partners for getting this important message out and thank you to all of you who have donated during this time. The campaign never ends so if you have not please go and donate today!

Our newsletter boasts an impressive **36%** open rate! Out of our 9000 staff members, over 3000 are actively engaging with its content.
