Updates to Tracking Hours!

Our committee has determined that while volunteer hours must be counted for the whole Council year for data tracking the Volunteer of the Year Award calculations will be slightly different.

With new Councilors coming on and others leaving we will be counting volunteer hours from June through April yearly and will not include May due to movement and needing to provide the winners name in time to engrave the plaque for the May meeting.

The winners name will be provided by May 5th yearly to give time for persons to log any April hours.
