Volunteers Needed for Exam Proctoring

There is a significant increase in the number of students using Campus Test Centers during finals week due to make-up exams and accommodated testing. We've reserved **2520D UCC** for additional testing space and we're looking for staff volunteers to help administer exams to students that week (**May 12 – 16, 2025**). Please note that volunteers must complete FERPA training (Family Educational Rights and Privacy Act), which can be done online: <https://registrar.uiowa.edu/faculty-and-staff-ferpa-training>.

Please **complete this sign-up sheet** if you or others in your area can volunteer a bit of time during finals week. Proctoring duties and responsibilities may include:

- **Preparing Exams and Rooms** - set up exam materials and testing spaces to create an organized and secure environment.
- **Student Check-In/Check-Out** - familiarize students with exam guidelines, ensuring they understand what materials are allowed during testing. Seat students upon check-in and record seat numbers. Assist with check-out and collect completed exams.
- **Exam Proctoring** - observe students completing exams to ensure compliance with restrictions and allotted time; report any concerns to administrators.
- **Scanning/Uploading/Filing Exams** - Scan, upload, and file completed paper exams.

Please contact Laura Sinn at laura-sinn@uiowa.edu; 319-353-2656 with any questions. Thank you, in advance, for your consideration and any assistance you can provide.
