

**IOWA**

# *University of Iowa Presidential Update*

**Barbara Wilson, President of the University of Iowa**

## *Path Forward and Strategic Positioning in Higher Education*

- President Wilson addressed national and state-level topics while providing guidance and encouragement on our positive path forward.
- She discussed another year of high enrollment and views on higher education.
- Iowa is well-positioned with distinctive strengths in writing, brain science, cancer research, and rural health.
