Thank

You!

Dear UI Staff Council,

Thanks to you, Ready Set School was a huge success! Your drive collected 5,405 supplies (including 557 books), helping us serve 2,000 local students with supplies they need. We're deeply grateful for your generosity! Now, students across the community get to start the school year feeling prepared & full of pride with their new supplies!

From the bottom of our hearts, thank you.
