- Proposed discussion topics for existing committees to review:
  - **Executive Committee**
    1. Discussion regarding sharing the agendas for all meetings with President Harreld and Provost Fuentes with council to allow for feedback/ideas before the meetings occur.
    2. Discussion on how to encourage more discussion at meetings without extending the length of the meeting. Possible call for agenda items at the end of each meeting or through a survey.
  - **Awards Committee**
    1. Guidelines, regarding the awards process, need to be reviewed and possibly updated for the next application cycle.

    2. Discussion regarding Self-Service and how to integrate more information regarding UISC councilors etc. to the system.
  - **Education Committee**
    1. Follow up on the mentorship program. Are there any recommended updates to help integrate new members into council?

      - We currently have a UISC brochure, fact sheet, and Power Point however they don't discuss how councilors can be engaged with their constituents.
      - Should we create a handout that discusses how to engage members in discussions or a list of ideas on what others have tried to share with current members?
