A vibrant outdoor scene, likely a festival or fair, with many people walking and sitting on a paved path. The path is lined with trees and decorated with strings of colorful balloons (yellow, purple, black, and orange). The scene is bright and sunny. A large, rounded yellow box is overlaid in the center, containing the word "Collaborate" in a bold, black, sans-serif font. Two black arrows point towards the box: one from the top right and one from the bottom left.

Collaborate

UI Staff Council had the pleasure to be invited to the College of Public Health (CPH) Staff Council meeting in April. Finding ways to collaborate with other governance bodies to advocate on behalf of our staff is the essence of what UISC is here for. We are excited to see how we can continue our partnership together. Thank you CPH Staff Council for having us!

Staff Council partnered with United Way assembling literacy kits to be distributed to local school children who struggle with reading.

An aerial photograph of a university campus. In the center, a yellow rounded rectangle contains the word "Communicate" in a bold, black, italicized serif font. Two black curved arrows point towards the text box from the top-right and bottom-left. The background shows a large American flag and a yellow flag with a black eye logo on a tall pole. Below the flagpole is a large, light-colored building with a prominent portico supported by columns. To the left is a large, multi-story building with a curved facade. The campus is surrounded by green lawns, trees, and other buildings under a clear blue sky with a bright sun in the upper right.
